

WELLINGBOROUGH AND DISTRICT U3A MONTHLY MEMBERS' MEETING COVID 19 POLICY

1. Wellingborough and District u3a is committed to ensuring the Health and Safety of all members attending in-person Monthly Members' Meetings once they resume. We will, therefore,
 - Comply with Government and NHS guidelines on COVID precautions during all meetings
 - Comply with any guidelines required by the venue.
2. In addition to these, we require that all members attending in-person Monthly Members' Meetings provide evidence of either full vaccination or of a negative COVID test taken no more than 48 hours prior to the meeting.
3. The preferred evidence will be the vaccination card issued to all individuals at the time they were vaccinated.
4. Other methods for members to evidence their status are:
 - NHS COVID pass either on their phone or in hard copy
 - A text or email showing that the member has had a negative PCR or Rapid Lateral Flow COVID test within the 48-hour period, either on a phone or in hard copy. (When taking the test, Members who do not have an email address or smart/I phone may nominate a family member or friend to receive the text/email. This can then be printed off and given to the member).
5. If limits on numbers attending Monthly Members' Meetings are introduced by either the venue or the Government, the Committee may require individuals to pre-register for the meeting.
6. Each individual should consider their own risk and take responsibility for their own health and safety prior to attending a Monthly Members' Meeting. Individuals should only attend an activity if they are comfortable with the outcome of their own risk assessment.
7. Wellingborough and District u3a will endeavour to be as inclusive as possible to those who are unable to attend in-person meetings, by for example, having hybrid meetings using Zoom.

This Policy is based on current information and is subject to change. Any changes made to the Policy by your committee will be communicated to all members promptly.
